The Senators indicated need to be contacted by the people in their state and informed that you are not happy with the way they voted. The 2nd amendment states that “A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.” I don't know where the confusion is in “shall not be infringed”

At any rate contact those Senators and let them know what you think. You can get their contact information at
